

## Economics: Entry requirements by College for 2024 entry

The table below details A Level and International Baccalaureate requirements for this course by College, plus any additional requirements. Colleges may still vary offers to take account of individual circumstances. **This information is for 2024 entry (or deferred entry for 2025).**

### Subject requirements

**All Colleges require:** A Level/IB Higher Level Mathematics\*

**Further guidance:** We advise you to do as much additional mathematics as possible. Please check the Faculty website for further information.

\*Please note, IB applicants are expected to take IB Higher Level 'Analysis and Approaches' for any course where Mathematics is a requirement. If this option is not available at your school, please contact a College for further advice and guidance.

Applicants for Economics are required to take the Test of Mathematics for University Admission (TMUA) at an authorised assessment centre, for which you must be registered in advance. Mature applicants applying to one of the mature Colleges for Economics will take a College registered assessment instead. For more information, see [www.cam.ac.uk/assessments](http://www.cam.ac.uk/assessments).

### Interviews

For more details about interviews for 2024 entry, please see [www.cam.ac.uk/interviews](http://www.cam.ac.uk/interviews).

College	A Level Entry Requirements	IB Entry Requirements	Admission assessment
