

## Postcode Checker

You can use this document to see if your home postcode has been identified as one that is eligible for Insight Explore. The postcodes below have been identified as those that meet the programme requirements.

Please remember that your postcode will be considered alongside the other information that you provide in your application and you might still be eligible for the programme even if your postcode is not listed below.

**Search easily for your postcode by pressing the 'CTRL' and 'F' buttons on your keyboard and typing in your postcode.**
