

# Management Studies (Part II course)

## Course Changes for the academic year 2020-21

Due to the effects of the COVID-19 pandemic and government guidance, we have had to make some changes to the programme in order to mitigate against risks to health and to give you the best possible academic experience in the circumstances.

We will continue to monitor and respond to the changing public health situation.

Teaching on the Tripos programme will be delivered primarily online, and where possible a blend of in-person and online teaching. We will adapt our timetables, teaching methods, course content and locations for delivery of teaching to achieve this. The balance of the blend will depend on the stringency of social distancing and other regulations in force at the time. Where possible, teaching by seminars, computer lab sessions, and supervisions will be delivered in person, and it may even be possible for lectures to smaller groups to be given on this basis. In any case, all lectures will be recorded and made available online. If large-scale lecturing in person becomes permissible, we will reintroduce it as soon as possible.
