General information

In the Student Services Centre (see the site map to the right), you will find staff from the Cambridge Admissions Office and International Team, as well as Student Support Services, including the Disability Resource Centre and Careers, who will be able to answer your questions.

If you are interested in watching a recording of any of the general sessions that took place as part of our "Warm-up Webinars", visit our website at www.cam.ac.uk/opendays. These will be available on demand until the end of next week. Cafés on campus are:

- Student Finance
- Kaplan Centre
- Melanie Gardens
- International Student Life
- College Life
- Demystifying the interview process

Planning your day

The University of Cambridge is spread across a wide range of buildings in the city (there are 29 undergraduate Colleges alone). There's plenty to explore, so we recommend you plan to visit six to ten places during the day.

All Colleges are open for tours, with many offering other sessions too. Downing & New Museums Sites, for example, have subject stands either in the department or in the Student Services Centre, and you can look around many departments as well. Check the programme for full details and locations to plan your day.

Catering

You can find a wide range of cafés and restaurants throughout the city where you can stop for a drink and a bite to eat. There are also University-owned cafés which will be open for visitors during the Open Days – for more details, visit www.cam.ac.uk/opendaysinfo.

Connect to our wi-fi

You can access our wi-fi by choosing the network 'UniOfCam-Guest' and then logging in via your chosen social media platform. This network is available throughout the University, and once you have connected you should be automatically signed in when you visit different buildings.

Virtual Tour

If you'd like to find out more about other areas that you weren't able to visit, you can check out our Virtual Tour and visit Colleges and facilities using our 360 platform. On our Virtual Tour you will also be able to access many Open Day resources, such as sample lectures and course presentations. These will be available to view until the end of next week.

Welcome to Cambridge

Ask us!

Staff across the University will be on-hand to help if you have any questions while you are here.

**Open Day visitors can buy reduced price tickets for the Whippet Universal (U) bus service (you may need to show your Open Day ticket in order to buy a reduced ticket). Tickets will be just £2 per person for unlimited travel on the day of purchase.**

You can buy tickets from the bus driver.

The U bus service makes it easy to get around the city and provides a convenient link between many of our departments and Colleges. The service runs from Eddington, next to the Madingley Road Park and Ride Site, to Addenbrooke’s Hospital and our Biomedical Campus via the central train station.

During the Open Days, U buses will run approximately every 5-10 minutes and stops are labelled on the maps in this guide (purple circle).

**Girton College will also be providing a shuttle bus service to the College from West Road (outside the Sidgwick Site entrance).**
