

Veterinary Medicine: A Level/IB Requirements by College for 2024 Entry

The table below details A Level/International Baccalaureate requirements, as well as additional requirements, for this course by College. Colleges may still vary offers to take account of individual circumstances. **This information is for 2024 entry (or deferred entry for 2025).**

Subject requirements

'Science/mathematics subjects' refers to Biology, Chemistry, Physics and Mathematics. It does not include Psychology.

A Levels

- A Levels in Chemistry and one of Biology, Physics, Mathematics.
- Most applicants for Veterinary Medicine at Cambridge have at least three science/mathematics A Levels and some Colleges require this and/or particular subjects. See individual College websites for details.
- If you are taking Further Maths, you should contact the admissions office of the College to which you are considering applying to see how it might contribute to your application.

International Baccalaureate

- A Level subject requirements (see above) also apply to the IB – Higher Level subjects satisfy A Level subject requirements.
- If taking Maths at Higher Level we recommend Analysis and Approaches for the most competitive application, however Applications and Interpretations will also be considered.

All applicants for Veterinary Medicine are required to take the Natural Sciences Admissions Assessment (NSAA) at an authorised assessment centre, for which you must be registered in advance. For information on written admission assessments for this course, please see www.cam.ac.uk/assessments.
