Key changes to this document

4 September 2024 - version 2.1

These are the key updates that we have made to My Cambridge Application since the previous application cycle.

‘Were there any difficulties with the teaching of your AS level, A level or equivalent subjects?’

The sentence ‘Do not include disruption due to the COVID-19 pandemic’ has been removed from the guidance as it is no longer relevant.

‘You need to upload a high school transcript’ and ‘You need to upload a university transcript’

We’ve added more detailed guidance to help applicants upload a high school transcript and university transcript.

‘Where do you plan to be, during the first 3 weeks in December?’

This is a new question in the ‘Interview’ section to help us understand if applicants are going to be in the UK or outside the UK during the interview period. If applicants answer that they plan to be outside the UK, we go on to ask:

- ‘What country and time zone will you be in, during the first 3 weeks in December?’ (if they plan to be in one country outside the UK)
or
