## Academic transfers

If listing more than one College, please tick one of the following statements or delete as appropriate:

If I am unsuccessful in obtaining a choral award at my first-choice College:

I would like the University to explore the **transfer** of my academic place to the highest College in my preference list that is willing to offer me a Choral Award. I am aware that transfers are not always possible and I understand that any transfer discussions will not affect the security of my original academic offer.

OR

I would **only** like to be considered as a potential choral **volunteer** at the other Colleges on my preference list and I do not wish my academic place to be transferred if I am not successful in being offered a choral award at my first-choice College.
